

## PARLEY DEADLOCKED ON MEXICAN TREATY

Obregon Still Demands Recognition Before Agreement on Commerce Pact.

## NEW OIL LAW SUBMITTED

Measure Regulating Article 27 of Constitution Now Before Chamber of Deputies.

Special Despatch to THE NEW YORK HERALD.  
New York Herald Bureau.  
Washington, D. C., June 25.

Negotiations with the Mexican Government with a view to reestablishing the relations between the two governments are deadlocked. The Obregon Government obstinately refuses to move from the position it has taken—that recognition must precede the treaty of amity and commerce, while this Government insists that recognition will be included in the negotiation of the treaty.

The Obregon position is regarded as a technical one, and the chief difficulty lies in the Mexican interpretation of Article 27, which is alleged to be confiscatory and aimed at American oil interests.

George T. Sumnerlin, American Charge d'Affaires in Mexico City, continues to confer from time to time with the Mexican President, but the conferences are perfunctory and are reaching no conclusion.

Meantime the State Department continues to collect information for the case which it is expected to make against Obregon when the time arrives for a showdown.

By the Associated Press.

MEXICO CITY, June 25.—The draft of a new law regulating Article 27 of the Constitution relative to oil concessions has been submitted to the Chamber of Deputies by several Deputies of the Social Democratic group, who assert it contains "the elements necessary for a complete adjustment of that article."

The measure specifies that the provisions of the article shall not be retroactive, and provides for nationalization of the subsoil. It would make all concessions to oil development in matters pertaining to oil development.

Inasmuch as the Chamber already is considering one measure of a similar nature, the proposal of the Deputies will be submitted to the petroleum committee for its consideration.

## FAMOUS JOCKEY HELD AS OPIUM SMOKER

\$10,000 Pipe Confiscated From G. C. Fuller.

Special Despatch to THE NEW YORK HERALD.  
CHICAGO, June 25.—Jerry Chorn, better known to the sporting world as Greener Cleveland Fuller, once one of America's greatest and highest paid jockeys, was taken into custody to-day by narcotic agents when he was found in a dingy little room smoking opium.

Jerry's pipe, which he values at \$10,000, is in strange hands for the first time in twenty-five years, along with a quantity of opium.

The pipe was a gift from Chong Pong, one time mayor of San Francisco's Chinatown, now dead, and was presented when Jerry won his first race. He met Chong that same night and Chong told him his success hinged solely on his weight and advised him to smoke opium.

"Had I never met that Chink," Jerry said regretfully, "to-day I would be worth a million. I had a brilliant future, and I want a fool I earned \$100,000 the first year. Heaven only knows where it went."

## WILSON IS ADMITTED TO D. C. SUPREME COURT

Former President Takes Oath in McCoy's Chambers.

WASHINGTON, June 25.—Woodrow Wilson appeared to-day in the chambers of Chief Justice McCoy of the District of Columbia Supreme Court to be admitted to the practice of law before that court.

A special session of the court was called for the purpose of admitting Mr. Wilson, the court having previously amended its rules so that former Presidents and Vice-Presidents of the United States who are lawyers might be admitted to practice without application or other formality.

Mr. Wilson was accompanied to the court by his law partner, Bainbridge Colby, former Secretary of State, and by Joseph P. Tumulty, formerly his private secretary. The admission of the former Chief Executive was moved by John Paul Earnest, chairman of the examining committee, and the usual oath was administered by Morgan H. Beach, clerk of courts.

## AIRPLANE ON RIVER A LOG.

POCONO RESCUE, June 25.—Commodore Albert Traver of the local yacht club, seeking to-day to raise the object at Crum Elbow, thought to be a lost airplane, brought to the surface of the river a 40 foot log, thus clearing up the mystery. Commodore Traver succeeded in towing the object to shallow water, where a swimmer was able to identify it. The log was then brought to the surface by means of winches on yachts.

## GONZALES AT HEAD OF MEXICAN REVOLT

Former Carranza Commander in Capital Crosses Border With Thirty Men.

## TO UNITE REBEL GROUPS

Obregon Orders Stay of Execution in Case of General Sidronio Mendez.

By the Associated Press.

MEXICO CITY, June 25.—Rebel activity in the State of Tamaulipas now is under the personal direction of Gen. Pablo Gonzales, former commander of the Carranza forces in Mexico City, who, according to War Office reports to-day, crossed the international boundary at Columbia, Tex., yesterday with thirty men.

The intention of Gen. Gonzales, it is reported here, is to consolidate several small rebel groups which within the past week have been operating in northern Mexico. Secretary of War Estrada said this morning that Federal troops had been despatched to combat these rebels.

Gen. Sidronio Mendez, who headed the rebel group in San Luis Potosi, was seriously injured when Federal forces captured him yesterday. He has not been executed, as was at first reported. President Obregon has ordered a stay at least until the extent of his injuries has been ascertained.

SAN ANTONIO, Tex., June 25.—A Mexico City despatch received here to-day telling of the entry of Gen. Pablo Gonzales into Mexico said that the Obregon garrison at Lampazos had revolted and burned several bridges on the National lines between Nuevo Laredo and Monterrey. This despatch said Gonzales crossed the border near Laredo with seventy men.

It is known that Gen. Jose Elizondo, a former Carranzista General, is at the head of a previous band that crossed from Zapata county.

## SERVICE FOR COL. GALBRAITH.

President Harding sent his regrets yesterday that he would be unable to attend the memorial service which is to be held at Trinity Church at 3:30 o'clock this afternoon in honor of Col. F. W. Galbraith, former national commander of the American Legion, Major-General Robert L. Bullard, Rear Admiral H. P. Huse and Henry D. Lindsley, past national commander of the American Legion, will attend. Bishop William T. Manning will preach.

## CONFESSES SHE SLEW STEPSON WITH AN AXE

Illinois Woman Asserts That He Attacked Her.

CARLENSVILLE, Ill., June 25.—Sobbing as she held her fourteen-month-old baby in her arms in the Macoupin county jail, Mrs. Catherine Harmon confessed that she killed Roy Harmon, her nineteen-year-old stepson, last Sunday morning, the police said to-day. Mrs. Harmon said she killed the youth with an axe and threw the body into a well, where it was found Friday by a neighbor.

Mrs. Harmon told the authorities her stepson assaulted her last Saturday night. He had been drinking, she said, and threatened her if she told of the assault.

Continuing the quarrel Sunday morning in the kitchen of their home at Greenridge, she told the police she struck the youth three times with an axe. She put the body in a box and dragged it to a shed, where it remained all day Sunday.

## KILLED IN BRIDGE COLLAPSE.

BORDENTOWN, N. J., June 25.—One workman was killed and another seriously injured here to-day when a temporary bridge over the Black Creek collapsed without warning, just after a heavy truck had passed over it. The dead man is Richard Lafferty, 44, of Bordentown. Joseph Challenger, also of Bordentown, had his head and chest badly injured. Four other men in the working party were slightly hurt.
